Camp RYLA 2016

Distribution of the Camp RYLA Brochure

Attending Camp RYLA should be an honor and privilege. Students should go through a selection process. If you just give away scholarships they tend to have less value.

1. Camp RYLA Brochure. Please make copies.

Work with your school Interact Club President and school counselors to distribute the Camp RYLA 2016 Brochure.

We recommend that you distribute quite a few brochures in order to **collect 4-5 completed** brochures for each scholarship that you have available.

Make arrangements to collect all the completed Camp RYLA Brochure

2. Who should be considered to receive a Camp RYLA Scholarship?

- A. **Rotary First** - If you have members of your club that have a relative that would like to attend Camp RYLA, you may want to give them the first opportunity.

Remember, these Rotarians are the ones who help raise the money and will become better advocates for Rotary programs if their relatives can attend Camp RYLA.

- B. If your club is sponsoring an Out-Bound Youth Exchange Student for 2016-2017 we highly recommend that you include this student as one of your candidates.
- C. Interact Students - As they are participating in a Rotary program they should be given consideration over other students.

We find that their participation makes for stronger and more successful Interact Clubs.

- D. Other students - Don't limit your selection. Approximately one-third (1/3) of Camp RYLA attendees are not members of an Interact Club.
