

Camp 2017

Suggested Camp RYLA 2017 Selection Process

Recommended selection process for Camp RYLA Candidates and Alternates to attend Camp RYLA February 22 – 26, 2017

1. How many students should your club send to Camp RYLA? Most Clubs send 2 - 5 but you really should send as many as your club can afford. However, there is a finite limit to the number of attendees we can accept.

(Rotary First) This is an official Rotary International program and as a Rotary club we should support Rotary programs before we consider helping another organizations program.

2. The long term impact and positive changes to students lives is probably the best investment you can make with the money you raise.

Everything that takes place at Camp RYLA is designed not only to affect a student today but for many years to come.

3. Your club can now fund your Camp RYLA attendees through a District Grant using your DDF.

Please contact the District Grants Chair for information on applying for a District Grant for Camp RYLA.
